

Crusader Fight Song

Here come those ...

Crusaders, from Catholic Central High!

Crusaders marching by!

Crusaders! We're with you, do or die.

Win or lose, you're the team we chose as

Crusaders! It's more than just a game.

You're carrying our name!

Every eye, every eye is on Catholic Central High,

As Crusaders go marching by!

Fight! Fight! Fight! Fight!

Fight! Fight! Fight!

Oh, we are from Steubenville, Ohio.

And we think that Steubenville is grand.

And we think Ohio is the finest.

It's the best state in all of the land!

We will praise the USA forever.

Three cheers for the Red, White and Blue!

Tally up the score,

As we did in days before,

As Crusaders go marching by!

Here come those ...

Crusaders, from Catholic Central High!

Crusaders marching by!

Crusaders! We're with you, do or die.

Win or lose, you're the team we chose as

Crusaders! It's more than just a game.

You're carrying our name!

Every eye, every eye is on Catholic Central High,

As Crusaders go marching by!
