Chapter 1 Test

[skip this line so that your answers can be readily seen]

Part 1

1. You should begin writing your answers here.
2. You should obey the red line guide to line up your answers. Remember that there is also a right hand margin indicated by the red line on the back of the paper. It shows through faintly on the front.
3. You should list your answers in columns going down the paper.
4. Your writing must be LEGIBLE. If you cannot write well, work on your handwriting, but in the meantime, PRINT.
5. When given letters as answers, use CAPITAL letters. They are less readily confused for each other
