

Student Credit Report – Internet Source

Student Name: _____

Name of Site: _____

URL: _____

Who is the host organization?

When was the site last updated?

How did you find this source? Describe the search that led you to find it.

Checklist for finding site host:

- Shorten the URL (backtracking).
- Follow links (check bottom of web page/"about us").
- Do an independent search of any organization mentioned on the site.

How sure are you that this is a reputable source? On what evidence do you base your conclusion?

What's your estimation of the bias of the source? Have you checked links, references, footnotes, or other organizations mentioned on the site?
